FLOORFOLIO.COM

A DIFFERENT APPROACH TO THE FLOORING INDUSTRY.

Innovation, design, quality and value are the four principles that guide us as we continue to expand our flooring collections.

WE CENTER OUR PRODUCT LINE AROUND CHOICE.

We offer over 200 various colors and patterns in Wood, Stone, Concrete and Abstract Collections. We also offer the ability to customize the size, texture and pattern. We are not limited by the collections we offer, but instead offer the flexibility to give the end user what they need. FloorFolio is committed to providing their customers a wide-ranging product line that is diverse in style, competitive in price, and most importantly, low-maintenance.

5 **TRUE**
SOLUTIONS TO
ALL YOUR
FLOORING
NEEDS

EXCLUSIVELY AVAILABLE AT FLOORFOLIO

ENVIROQUIET & ENVIROQUIET II, RIGID HYBRID,
LOOSE LAY, TRU-FIT & LEVITATE

EnviroQuiet®

US PATENTS 8640824 & 8893850
CA PATENT 2899742

ONE COST. EnviroQuiet luxury vinyl flooring is manufactured with the sound-reducing underlayment attached, so it can be purchased and installed as one fully integrated product. **ONE INSTALLATION.** The triple-patented formula provides an all-in-one, economical flooring solution that can be paired with almost any of our wood or stone visuals. **ONE SOLUTION.**

STANDARD ENVIROQUIET

5mm Thick | 8mil or 12mil | Residential Grade

This double-patented formula and innovative one-step installation offers valuable time savings and benefits for contractors and end-users alike. Each plank is composed of 2mm thick LVT affixed to a 3mm thick recycled rubber underlayment. The 8mil clear wear layer provides durability in residential areas, making it a great choice for multi-family and student housing.

PREMIUM ENVIROQUIET

5mm Thick | Denser Backing | Residential

Premium underlayment provides an improved sound barrier and better shock absorption, which is perfect for multi-family housing units that require an added level of privacy and comfort.

COMMERCIAL ENVIROQUIET

6mm Thick | 22mil Wear Layer | Commercial

With overall thickness of 6mm, this commercial grade underlayment has an even greater density and the 22mil wear layer on 3mm LVT is a durable solution for high traffic, commercial areas such as hospitals, retail locations, hotels and restaurants.

LAKEHOUSE

LAKEHOUSE

Lake House provides an essence of beauty layered in multiple earth tones, dark hues and grey shades. Each 24" square tile creates a serene visual of parallel wood planks outlined by a border of aged wood, designed to be quarter-turned during installation.

UPDATE: Lake House now features a customized wood grain texture, making it one of the most dynamic collections, exclusively offered by FloorFolio.

STANDARD TILE: 24" x 24" | 3mm | 22mil Wear Layer | Wood Grain Textured Finish

CRETE COLLECTION

Our Crete Collection features a metallic, concrete visual that makes a lasting impression. The collection has recently been updated to include three new colors, and is now offered in a larger size tile.
